February 10, 2009

Dear BLT Friend,

The Board of Directors of the Baytown Little Theater is accepting applications for directors for the 2009-2010 season. We recognize that directing a show requires a unique combination of creativity, dedication, sweat, blood (rarely), and a bit of insanity – we appreciate all who undertake this responsibility. As such, the Board will select directors based on qualifications and availability, as well as consideration of how your play will enhance the season.

As we continue to utilize a leased space, we are looking to produce plays with high audience appeal and low costs where possible. This does NOT mean we will not consider other shows, just please be aware that our operating costs are much higher than they have been in recent years, and those factors may influence our selections.

Due to the ability to produce our summer musical at Lee College's Performing Arts Center, we are able to expand our season, a bit. This year's season starts in September, and consists of 6 shows, including our "Special" slot for the New Year's Eve timeframe.

Enclosed you will find an Application to Direct form and a list of plays that have been recommended by the play reading committee. If you should choose to submit a play that is not on the list, we will need the play reading committee to review that play before it is given consideration. We do have quite a few of the recommended plays in the theater library. If you would like to read any of them please contact John Meiners. If we do not have a play you would like to read, let us know and we will see about getting it, as soon as possible.

At the March and April Board meetings we will be setting the season of plays/directors for the 2009-2010 season to be announced at the April General meeting. Please look over the enclosed information and return your completed application by March 15, 2009, if you would like to be considered as a director.

We look forward to receiving your application and would be happy to assist you with this process. Do not hesitate to contact me with any questions/comments.

Sincerely,

Wally Whitley
Board President
